## **IZVJEŠTAJ O UVOZU LIJEKOVA KOJI NEMAJU DOZVOLU ZA STAVLJANJE U PROMET U BOSNI I HERCEGOVINI**

**(u 2010. godini)**

Izveštaj o uvozu lijekova koji nemaju dozvolu za stavljanje u promet u BiH za 2010. godine dat je tabelarno za Federaciju BiH i Republiku Srpsku, a pripremljen je na osnovu podataka koje su Federalno ministarstvo zdravstva i Ministarstvo zdravlja Republike Srpske dostavljali Agenciji za lijekove i medicinska sredstva u obliku rješenja o odobrenju interventnog uvoza.

Agencija je obradu i klasifikaciju dostavljenih podataka izvršila prema ATC-u lijekova koji su bili predmet interventnog uvoza.

Odjel za zdravstvo Brčko Distrikta nije dostavio tražene podatke, te iz tog razloga nije pripremljen pregled interventnog uvoza za Brčko Distrikt za navedeni period.
